Description

This 2023 Citroen C4 Sense is a superb example of modern motoring, offering a blend of style and practicality. Powered by an efficient 1.2 litre petrol engine, this Euro 6 compliant vehicle is registered in 2023 and presents itself in the Sense trim.

Inside, you'll find a user friendly 10 inch touchscreen interface that seamlessly integrates with Android Auto and Apple CarPlay, allowing for easy connectivity. For added convenience and safety, it features automatic dual zone air conditioning, automatic headlight activation with LED headlights, and rear parking sensors to assist with manoeuvring.

The Citroen C4 Sense is designed to impress with its impressive fuel economy, achieving a highlight of 55 miles per gallon, which indicates it is more economical than many similar vehicles. Its acceleration from 0 to 62 miles per hour in 10.8 seconds is a testament to its responsive performance. Furthermore, this model boasts a large boot space, offering ample room for luggage or shopping, and its low CO2 emissions highlight its environmentally conscious design, making it a smart choice for drivers seeking efficiency and capability.
