Description

This 2025 Citroen C3 Aircross Turbo PLUS is a superb example, having had only one owner since new. This stylish SUV is equipped with a responsive 1.2L petrol engine, meeting Euro 6 emissions standards. For your convenience, it features rear parking sensors with parking assistance, automatic headlights that include high beam assist, and advanced LED intelligent beam headlights with electric levelling and automatic high beam switching. Maneuvering is made easier with a reversing camera and rear parking assistance, while the automatic air conditioning ensures a comfortable cabin temperature.

The Citroen C3 Aircross Turbo PLUS offers an impressive highlight of 50 mpg, demonstrating its efficiency compared to other vehicles in its class. Furthermore, its low CO2 emissions contribute to a more environmentally conscious drive. These highlights, combined with its single owner provenance and comprehensive features, make this C3 Aircross a compelling choice for those seeking a well maintained and feature rich compact SUV.
